UNINCORPORATED AREAS OF WEST CARSON, HACIENDA HEIGHTS,

(SUPERVISORIAL DISTRICTS 2, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to annex territories to the County Lighting Maintenance Districts 1687 and 1697, and County Lighting District LLA-1, Unincorporated and Carson Zones, for street lighting purposes, order the Levying of Assessments, and approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to the jurisdictional change.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance Districts 1687 and 1697, and County Lighting District LLA-1, Unincorporated and Carson Zones, and Order the Levying of Assessments within the Annexed Territories whose areas and boundaries are identified on Appendix A and accompanying diagrams, for Fiscal Year 2009-10.

2. Set a date for a public hearing regarding the proposed annexations of approved tentative subdivision territories and levying of annual assessments based on the Fiscal Year 2008-09 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate for a single-family home of \$5 for the Unincorporated Zone and \$1 for the Carson Zone.
3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of _____, pursuant to Section 53753 of the Government Code. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the annexations and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of street lights, necessary to maintain service within the proposed annexation areas, and exempt from the requirements under the California Environmental Quality Act.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessments.
3. Determine whether a majority protest against the proposed annexations or assessments exists.
4. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those subdivision territories where the proposed annexation and levying of assessments have been rejected, if any, as a result of a majority protest and refer the matter back to the Department of Public Works.
5. If there is no majority protest against the proposed annexations or assessments, adopt the Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance Districts 1687 and 1697, and County Lighting District LLA-1, Unincorporated and Carson Zones, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2009-10

(Resolution Ordering Annexation), either as proposed or as modified by your Board. The annexation and the exchange of property tax revenues shall not become effective unless the legal description for the annexation area is approved as to definiteness and certainty by the County Assessor and, when legally required, the final subdivision map is approved and recorded with the Registrar-Recorder/County Clerk of the County of Los Angeles. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2009-10.

6. Adopt the Joint Resolutions between your Board and other taxing agencies, Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance Districts 1687 and 1697, as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions are to: (1) annex the subdivisions listed in Appendix A to County Lighting Maintenance Districts (CLMD) 1687 and 1697, and County Lighting District LLA-1 (CLD LLA-1), Unincorporated and Carson Zones; (2) levy the assessments in Fiscal Year 2009-10 on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received; and (3) approve the exchange of property tax revenues between CLMD 1687 and 1697 and other nonexempt taxing entities, whose service areas are subject to jurisdictional change.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Fiscal Responsibility (Goal 4) by performing the annexation and levying of assessments for the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territories. In addition, this action is consistent with Community Services (Goal 6) by improving the quality of life for residents in the community.

FISCAL IMPACT/FINANCING

The ongoing operation and maintenance costs of the street lights within the annexed territories will be funded by the District's share of the growth of the 1 percent ad valorem property taxes, supplemented by assessments annually approved by your Board. The annexations will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, Public Library, Road Maintenance Districts 2, 4, and 5, Los Angeles County Flood Control District, and the Consolidated Fire Protection District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The City of Carson has executed a Resolution Granting Consent and Jurisdiction to the County of Los Angeles in the matter of the annexation for L 042-2007, L 071-2007, and L 096-2007 to CLMD 1697, pursuant to Section 5837 of the California Streets and Highways Code. The resolution is on file with the Department of Public Works (Public Works).

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The California Streets and Highways Code (Streets and Highways Code) Sections 5821.3 and 22608.2 provide that a territory owned by a subdivider subject to said ordinance may be annexed to a lighting district, without notice and hearing, or filing of an Engineer's Report. The Los Angeles County Code Sections 21.32.140 and 22.48.250, and the City of Carson Municipal Code Section 9206.6 require street lighting improvements by a subdivider. The posting and publishing requirements and filing of an Engineer's Report for projects listed in Appendix A are, therefore, not required.

Under Government Code Section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the distribution, receipt, and tabulation of ballots at a public hearing. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The attached Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding an annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

The Landscaping and Lighting Act of 1972 (Section 22573 of the California Streets and Highways Code) provides for the assessment of street lighting costs against the benefited properties within CLD LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel. A method of distributing the street lighting costs based on land use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessment rates shown in the Fiscal Year 2008-09 Annual Engineer's Report on file with Public Works.

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of the County-administered street lighting districts and will result in the project not being allowed to record or be issued a building permit.

Section 99.01(a)(4) of the California Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues, approved by the City of Carson and all affected taxing agencies, are attached for your consideration.

The approval of the proposed annexations, levying of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights in the annexed territories.

Following your Board's approval of the attached resolutions for the annexation, levying of assessments, and exchange of property tax revenues, and the recordation of a final subdivision map and/or approval of the legal description by the County Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by Section 54900 et seq. of the California Government Code.

The attached resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

These projects are categorically exempt from the provisions of the California Environmental Quality Act (CEQA) in that they meet the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G.

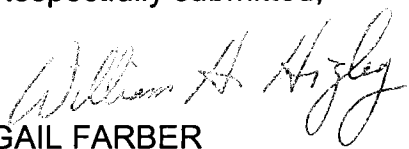

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to CLMD 1687 and 1697, and CLD LLA-1, Unincorporated and Carson Zones will result in street lighting for these areas and have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and the signed resolutions to Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Angela Gadsden); and one to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,

for GAIL FARBER

AND ORDER THE LEVYING OF ASSESSMENTS
WITHIN THE ANNEXED TERRITORIES FOR
FISCAL YEAR 2009-10**

WHEREAS, the Los Angeles County Board of Supervisors (Board of Supervisors) established County Lighting Maintenance Districts 1687 and 1697, under the Improvement Act of 1911, to fund the installation, operation, and maintenance of street lighting systems within their boundaries; and

WHEREAS, the Board of Supervisors subsequently approved the formation of County Lighting District LLA-1, under the Landscaping and Lighting Act of 1972 (Section 22500 et seq. of the California Streets and Highways Code) to provide supplemental funds for the operation of street lights within various County Lighting Maintenance Districts, including County Lighting Maintenance Districts 1687 and 1697; and

WHEREAS, the Board of Supervisors adopted the Fiscal Year 2008-09 Annual Engineer's Report that shows estimated operating costs and recommended assessments for the Unincorporated and Carson Zones within County Lighting District LLA-1; and

WHEREAS, the Improvement Act of 1911 (Section 5821.3 of the California Streets and Highways Code) provides that a territory owned by a subdivider may be annexed to an existing lighting district, without notice or hearing, in the event an ordinance requires installation of a street lighting system; and

WHEREAS, the Landscaping and Lighting Act of 1972 (Section 22608.2 of the California Streets and Highways Code) provides that in the event an ordinance requires installation of improvements, such as a street lighting system by a subdivider, the territory may be annexed to an existing lighting district without notice and hearing or filing of an Engineer's Report; and

WHEREAS, by the Los Angeles County Code and City of Carson Municipal Code, the territories listed in Appendix A are required to install a street lighting system, which may be accomplished by annexing to County Lighting Maintenance District 1687 or 1697 and County Lighting District LLA-1 Unincorporated or Carson Zones (the County Lighting Districts); and

WHEREAS, the City of Carson has executed a Resolution Granting Consent and Jurisdiction to the County of Los Angeles for L 042-2007, L 071-2007, and L 096-2007 on the matter of annexation of territory to County Lighting Maintenance District 1697 and County Lighting District LLA-1, Carson Zone, and

WHEREAS, upon annexation to the County Lighting Districts, the annexed territories will become subject to new assessments; and

WHEREAS, Section 53753 of the California Government Code provides notice, protest, and hearing requirements applicable to the levying of the new assessments, which supersede any other such statutory requirements.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of the subdivision territories listed in Appendix A into the County Lighting Maintenance Districts 1687 or 1697, as applicable, pursuant to Section 5837 of the California Streets and Highways Code.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of the subdivision territories listed in Appendix A to County Lighting District LLA-1, Unincorporated or Carson Zones, as applicable, pursuant to Section 22605 of the California Streets and Highways Code.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for proper operation and maintenance of proposed street lights within the proposed annexation territories, and located within the County Lighting Districts. The needed amounts shall be assessed, levied, and collected in Fiscal Year 2009-10 on each lot or parcel of land lying within the annexed territories based on land-use categories that designate usage units on the basis of benefits received, as defined in the County Assessor's report dated May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. The base assessment rates for a single-family residence, along with proportional increases for other land uses, are shown in the Fiscal Year 2008-09 Annual Engineer's Report for each zone within County Lighting District LLA-1. The same annual base assessment rate established for the Unincorporated and Carson Zones are proposed for all benefited properties within the proposed annexation territories.

SECTION 4. The boundaries of the territories proposed to be annexed are shown on the attached diagrams.

SECTION 5. The proposed assessments are subject to approval by the affected property owners. A ballot and public hearing notice will be sent to the property owners within the area proposed for annexation at least 45 days prior to the date of the public hearing. The ballots will be weighted by the amount of assessment to be paid by each property owner. The approved tentative subdivision territories will not be annexed, and the proposed assessment for that subdivision will be abandoned if the weighted majority of the ballots returned are opposed to the assessment.

SECTION 6. The amounts to be assessed for the expense of such operation and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes.

SECTION 7. Proceedings for levying of assessments shall be taken in accordance with Section 22500 et seq. of the California Streets and Highways Code and Section 53753 of the Government Code.

SECTION 8. Tuesday, April 28, 2009, at 9:30 a.m., is the day and hour of the public hearing, at the Chambers of the Board of Supervisors of the County of Los Angeles, in Room 381B of the Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street and Grand Avenue), Los Angeles, California 90012, the place fixed by said Board of Supervisors when and where any and all interested persons may hear the proposal and be heard regarding the proposed street lighting assessments in the territories proposed for annexation to County Lighting District LLA-1, Unincorporated and Carson Zones.

SECTION 6. The amounts to be assessed for the expense of the operation and maintenance as described in said resolution, shall be levied and collected in the same manner and by the same officers as taxes for County purposes and shall be disbursed and expended for operation, maintenance, and service of said lighting districts, all as described in the Resolution of Intention.

SECTION 7. The Executive Officer of the Board is hereby authorized and directed to file a certified copy of these resolutions upon their adoption with the County Assessor, Ownership Services Section (Attention Angela Gadsden); and with the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

SECTION 8. Notwithstanding the foregoing, the above annexation of the subdivision territories listed in Appendix A to the County Lighting Districts, is conditioned upon, and shall not become effective unless the legal description for an annexed area is approved as to definiteness and certainty by the County Assessor and, when legally required, the final subdivision map is approved and recorded with the Registrar-Recorder of the County of Los Angeles.

The foregoing Joint Resolution was on the 20th day of April, 2009, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies, and authorities for which said Board so acts.
